Mona Saad

Junior Student at Faculty of Computer Science | Ain Shams University

Cairo, Egypt

Summary

I'm a passionate student currently studying frontend development through the AIMadrassa platform. I'm deeply interested in this track and committed to building a strong foundation in designing and developing user-friendly interfaces.

In addition to honing my technical skills, I'm actively working on improving my problem-solving abilities and enhancing my English proficiency.

I'm eager to take on new challenges, grow my expertise, and contribute to innovative and impactful projects.

Experience

Elmdrasa

Trainee

October 2024 - Present (6 months)
